Case No. C-07-04017 JSW

**JOINT STIPULATION AND [PROPOSED]  
ORDER CONTINUING DEADLINES FOR  
MEDIATION, CLOSE OF DISCOVERY  
AND CASE MANAGEMENT  
CONFERENCE**

The deadline to complete mediation was July 15, 2008, the close of fact discovery is August 27, 2008, the close of expert discovery is October 23, 2008 and the next Case Management Conference is set for October 31, 2008.

1 The parties were unable to set a mediation date during the four pre-mediation conference calls  
 2 with the mediator, Mr. Yaroslav Sochynsky, on June 12, 2008, June 23, 2008, June 27, 2008 and July  
 3 8, 2008. Once, Defendants did not appear for a scheduled telephone call and the other times,  
 4 Defendants were unable to commit to a mediation date because their claims were pending with the  
 5 insurance carriers, who at that time had not committed to whether they were going to cover the  
 6 defense of this case. The uncertainty of the counsel issue was already raised by Mr. John Mitchell,  
 7 current counsel of record, with this Court during the initial Case Management Conference on May 16,  
 8 2008 and earlier than that with Plaintiff. On July 15, 2008, the parties held a telephone conference  
 9 with ADR Program Staff Attorney Robin W. Siefkin, who recommended scheduling the mediation  
 10 date with Mr. Sochynsky and filing this Joint Stipulation and Proposed Order by July 25, 2008  
 11 because Defendants by then had resolved their issues with the insurance carriers. Although  
 12 Defendants currently have still not identified their future litigation counsel, the parties have now set  
 13 the mediation date for August 14, 2008 with Mr. Sochynsky. This is a mere 13 days before the close  
 14 of fact discovery. If the parties will not settle before or during the mediation, this long one-sided  
 15 delay in the mediation process would prejudice Plaintiff's further prosecution of this case.

16 Therefore, the parties hereby respectfully request that the deadline to complete mediation be  
 17 continued to August 20, 2008, that the close of fact discovery be continued until September 30, 2008,  
 18 that the close of expert discovery be continued until November 20, 2008 and that the next Case  
 19 Management Conference be set for November 28, 2008.

20 DATED: July 30, 2008

Respectfully submitted,

TOWNSEND AND TOWNSEND AND CREW LLP
